WINDSOR HIGH SCHOOL

To Whom It May Concern,

It is my pleasure to write this general recommendation for Sammie Moore. Sammie has been a music student of mine at Windsor High School for the last four years. The entire time she has been nothing but exceptional.

Sammie has volunteered a great deal of her time for the good of the WHS Music Program and the Windsor Community. In her early years at Windsor High, she helped the initial formation of the Drum Line class. She spent many hours outside of class creating choreography for the Drum Line performances at our spirit rallies. She also spent time teaching other students who were not in the Drum Line class how to read music and perform with us to boost our numbers. This helped us have a decent number of students to play in the Windsor Days Parade. Thanks to Sammie's early work in Drum Line, we now have a thriving class that plays at every rally and the annual parade.

Sammie was a top student in my AP Music Theory class during the 2016-2017 school year. She volunteered her time tutoring other students, helping the overall pass rate of WHS students on the national AP Music Theory Exam.

For the last four years, Sammie has been a skilled violinist in our String Orchestra. For the last three years she has acted as Concert Mistress. She has spent many hours after school hosting practice sessions for our less-skilled players, helping to boost the overall performance of the Orchestra. For the last two school years, Sammie has led our "Mini Orchestra", a group that combines Wind and String Instruments to perform in our school concerts and fundraising events. They rehearse in the mornings before school once a week. In an amazing display of initiative and leadership, Sammie did all of the organizing and leading of this performing group.

Sammie is a very talented artist with excellent leadership abilities. She is a top-candidate for any arts organization.

Sincerely,
